

Volunteer Position

Student Service Learning Program Designation (20 hours)

Title: Research Analyst Intern (BU CARES Research Centre)

270 18th Street,
Brandon MB,
Canada R7A 6A9

204.728.9520
BrandonU.ca

A bit about you and the role:

You are interested in research and would like to see what the process looks like from the inside! You will take pride in assisting BU CARES conduct applied, community-engaged research. This position includes working closely with a researcher from BU CARES to assist with ongoing research conducted through BU CARES.

Benefits:

- Resume-building opportunity through involvement in BU CARES Research Centre
- Receive a Student Service Learning (SSL) Annotation on your transcript
- Networking – build relationships with researchers and faculty members
- Build skills in research methodologies

Requirements/Qualifications:

- An interest and/or experience in education in rural and/or Indigenous research
- Brandon University student
- Successful application to the Student Service Learning (SSL) Program

BU CARES Research Centre is an applied research centre in the Faculty of Education at Brandon University. We promote, facilitate, and conduct research in collaboration with rural and Indigenous communities.

About Student Service Learning:

The Student Service Learning Program encourages student volunteerism by recognizing students' community contributions on their Brandon University transcripts. Upon receiving approval from the Service Learning committee and completing a minimum of 20 hours of volunteer service, Brandon University students can receive a Service Learning Annotation (recognition statement) on their transcript.
