

Volunteer Position

Student Service Learning Program Designation (20 hours)

Title: Podcast Production Technician (BU CARES Research Centre)

A bit about you and the role:

You are interested in education and would like to see what podcast recording looks like from the inside! You will take pride in assisting BU CARES share results from applied, community-engaged research. This position includes working closely with BU CARES to assist with producing the *Leaning In and Speaking Out* podcast.

Benefits:

- Resume-building opportunity through involvement in BU CARES
- Receive a Student Service Learning (SSL) Annotation on your transcript
- Networking – build relationships with educators and faculty members
- Build skills in podcast production (audio and video)

Requirements/Qualifications:

- An interest and/or experience in education in rural and/or Indigenous research
- Brandon University student
- Successful application to the Student Service Learning (SSL) Program

BU CARES Research Centre is an applied research centre in the Faculty of Education at Brandon University. We promote, facilitate, and conduct research in collaboration with rural and Indigenous communities.

About Student Service Learning:

The Student Service Learning Program encourages student volunteerism by recognizing students' community contributions on their Brandon University transcripts. Upon receiving approval from the Service Learning committee and completing a minimum of 20 hours of volunteer service, Brandon University students can receive a Service Learning Annotation (recognition statement) on their transcript.

To apply, please email a letter of interest to LamM@BrandonU.ca.
