

Sample K-12 Student profile (questions)

Instructions

I am excited to be your teacher this year! Thank you for having me. Here are a series of questions that will help me get to know you a bit better and provide more interesting lessons for you. Please answer these questions to the best of your abilities. Your answers will not be shared in class, this is strictly confidential.

1. What is your full name, and your preferred pronouns?

2. Where are you from?

3. Where is *home* to you?

4. What is your first language? How many languages do you speak?

5. Do you have any special interests? If yes, what are they?

6. Do you have an idea of what you are interested in studying later on?

7. Are there topics that you are especially interested in engaging with in class? If yes, what are they?

8. Are there any topics that you would rather not engage with in class? If yes, what are they?

9. What does a good, safe, and healthy learning environment look like for you?

10. What, in your opinion, are some of your best skills as a learner?

11. What, in your opinion, are skills you could work on as a learner?

12. Is there anything (else) in particular you would like me to know about you?
